## A PROMISE TO MY CHILD

1. I promise that I will show this form to my child when he or she is old enough to give informed consent.
2. I promise that I will also give him or her any information supplied to me by CordBank to update the information which was available to me.
3. I promise that I will help my child to get independent medical advice, if necessary, to help him or her give informed consent to the continued storage of his or her cord blood.
4. I promise that, if my child chooses to continue to have his or her cord blood stored by CordBank, I will pay for continued storage until he or she is financially able to pay for it.
